Organizations must be 501(c)(3) certified or an accredited educational institution that operate in areas where we do business, which are: Oklahoma City, South Texas, Northwest Louisiana and Northeast Pennsylvania.

Founded in 1989, Chesapeake discovers and responsibly develops leading positions in three top U.S. oil and gas plays — Eagle Ford, Haynesville and Marcellus shales. Chesapeake is based out of Oklahoma City. Our corporate headquarters also supports field offices in Louisiana, Pennsylvania and Texas.

Please submit all charitable and in-kind requests electronically [here](#). Organizations will be required to create a new profile and then you will be able to apply for possible funding. All applications are due by August 31, 2022.
